

NOTICE TO ALL PROPOSERS

ADDENDUM NO. 1

TO THE REQUEST FOR PROPOSALS FOR

PROFESSIONAL AUDITING AND ACCOUNTING SERVICES

August 21, 2026

The following Addendum dated August 21, 2026, shall be made a part of the Request for Proposal (RFP) dated August 3, 2026, for TAA Professional Auditing and Accounting Services.

GENERAL

The Pre-Proposal Conference Summary dated August 18, 2026, and associated Sign-In Sheets are attached to this Addendum No. 1.

RESPONSES TO QUESTIONS

Q: Can you please provide audit fees paid for the past three fiscal years, separately identifying fees for the financial statement audit, Single Audit, PFC audit, and any other audit-related services?

A: TAA does not expense audit fees based on type of audit being performed. TAA's expenditures for professional auditing services for the three most recently completed fiscal years were approximately:

FY22 Contract – 48,000 Total 114,300

FY23 Contract – 56,000 Total 95,500

FY24 Contract – 69,000 no known additions

Q: Were additional billings required by the incumbent auditor during the past three fiscal years? If so, please describe the nature of those services and the related fees.

A: Yes. Additional billings were incurred in FY22 and FY23, primarily related to the restatement of prior-year financial statements. In FY22, additional procedures were required to address adjustments related to the accrual of COVID-19 grant funding. Additional services associated with these years are included in the total fees disclosed above.

Q: Please provide a summary of any audit adjustments recorded during the most recent audit, including the nature and approximate dollar amounts of the adjustments.

A: There were no audit adjustments recorded during the FY24 audit. The FY23 audit included adjustments related to grant revenue accruals and amortization expense calculation of GASB 87 entry. (90k)

Q: The RFP notes that draft reports are typically presented to the Audit Council in late January or early February and final reports are presented to the Board in March. Please provide the anticipated timing of interim fieldwork, year-end fieldwork, and key deliverable deadlines for the FY2026 audit.

A: TAA anticipates beginning the FY26 audit in January 2027. We recognize that a January start date is later than would typically be expected for an audit of a September 30 fiscal year-end. This timing is driven by the delay in completing prior-year audits and the transition to a new audit contract. TAA's goal is to commence the FY26 audit in January 2027 and complete the engagement within approximately 90 days. Based on this timeline, TAA anticipates presenting draft audit reports to the Audit Council during the audit process and potentially scheduling Board review of the draft reports at an April 2027 meeting. The final timeline will be coordinated with the selected audit firm to ensure an efficient and successful completion of the audit.

Q: Have there been any significant transactions, projects, financing activities, grants, lease arrangements, accounting pronouncements, or other matters that are expected to materially impact the FY2026 audit?

A: TAA expects implementation of GASB Statements No. 103, Financial Reporting Model Improvements, and No. 104, Disclosure of Certain Capital Assets, during FY26.

Q: Has the Authority experienced any significant turnover within the finance department, executive management team, or other key personnel involved in the financial reporting process during the past three years?

A: Yes. TAA experienced significant turnover within the Finance Department at all levels during the past three years, which contributed to delays in completing prior audits.

Q: Outside of the audit process, what characteristics, services, or capabilities does the Authority value most in its external auditor?

A: TAA values auditors who demonstrate strong technical expertise, responsiveness and effective communication. TAA views its external auditor as a trusted resource and values firms that proactively provide updates on emerging accounting standards, regulatory requirements, industry trends, and best practices affecting airports and governmental entities

Q: Is the current procurement primarily the result of a periodic rebid process, or are there specific factors the Authority would like to see improved in its relationship with its external auditor?

A: Result of periodic rebid process.

Q: The RFP includes information through FY2023 and references preparation of FY2026 financial statements. Can the Authority provide an update on the status and anticipated issuance dates of the FY2024 and FY2025 audited financial statements and related reports?

A: TAA is currently finalizing the FY24 audited financial statements and related reports. Upon completion of the FY24 audit, TAA intends to proceed directly into the FY25 audit and currently anticipates completing the FY25 audit before the end of calendar year 2026.

Q: Arizona law permits qualified out-of-state CPAs to practice under CPA mobility provisions without obtaining a separate Arizona license. For purposes of this RFP, will compliance with those mobility provisions satisfy the requirement that the Firm and assigned key professionals be properly licensed to practice in Arizona?

A: Compliance with Arizona's limited reciprocity (aka mobility) statute A.R.S. § 32-725, is permitted. Any individual responding to the RFP that is not a licensed CPA in the State of Arizona shall satisfy all requirements of Subpart A of A.R.S. §32-725, and shall include with their proposal a certificate of good standing from the state in which they are licensed as a CPA. Any firm responding to the RFP that is organized under the laws of another jurisdiction shall satisfy all requirements of Subpart G of A.R.S. §32-725, and shall include with their proposal any documentation, any information necessary for TAA to determine whether Subpart G has been met by the firm and that Subpart A has been met by any individuals to perform the accounting services. Any individual or firm that qualifies under the mobility statute shall not have any past or present disciplinary actions against them/it before the State of Arizona Board of Accountancy.

Pre-Proposal Conference Summary dated August 18, 2026, and associated Sign-In Sheets

TUS List of Active Tenants

PRE-PROPOSAL CONFERENCE AGENDA

Project Name: Professional Auditing and Accounting Services

Date: August 18, 2026

Time: 10:00 a.m. local Tucson time

Location: Tucson Airport Authority (TAA) Administration Building: Catalina Room

Funding: Tucson Airport Authority

Contact for Proposal: Corrie Bussey

Project Director: Mary Fowler

SIGN IN AND INTRODUCTIONS

1. See attached Sign-in Sheet for attendees.
2. Corrie welcomed all attendees and made brief introductions. She indicated that the minutes of the pre-proposal conference will be distributed to all meeting attendees and RFP holders of record. Further addenda, if any, will be distributed only to firms on the RFP Holders List. Respondents wishing to receive all addenda should confirm they are on the RFP Holders List.

GENERAL INFORMATION

1. TAA intends to award this contract by the end of January 2027. TAA and the selected firm will jointly develop a timeline for completing work and deliverables.
2. The project will be funded by Tucson Airport Authority funds.
3. TAA shall not be held responsible for any oral instructions. Any changes to this RFP will be in the form of an addendum, which will be furnished to all registered RFP holders.
4. This RFP does not obligate TAA to award the contract to any firm nor to pay any cost incurred in the proposal process or in the preparation of proposals submitted in response to this RFP. Shortlisted Firms will be required to attend an interview tentatively scheduled for October 14, 2026. We expect to contact short-listed Firms on or around September 28, 2026, to notify them of the specific time and details of the interview. TAA reserves the right to reject any and all proposals or to accept any firm which is deemed to be advantageous to the public and TAA.
5. No representative or agent of the Respondent may contact any member of the staff or Selection Committee, any member or director of TAA or any other agent or consultant of TAA, either directly or indirectly, for this proposal. Any questions related to the RFP or proposal process must be directed in writing to Corrie Bussey by email at cbussey@flytucson.com. Any

communication, or attempted communication, with any person other than as designated above shall, in the sole discretion of TAA, be grounds for disqualification of the firm.

6. Until an award and execution of a contract by TAA, only the name of each Respondent on the short list may be made available to the public. All other information received by TAA in response to this RFP or contained in the proposals shall be confidential. The proposals shall be open to public inspection after the contract is awarded and executed by TAA. To the extent the firm designates, and TAA concurs, trade secrets and other proprietary data contained in the firm's proposals will be kept confidential.
7. TAA will issue the minutes of the pre-proposal conference, pre-proposal sign-in sheets, and written responses to any questions received by email as soon as possible after this meeting.

PROPOSAL REQUIREMENTS

1. Respondents should review the major proposals submittal requirements described in Section III on page 11 of the RFP.
2. Respondents should review the insurance requirements on pages 14-15 of the RFP to confirm that they can comply.
3. Failure on the part of a Respondent to provide any portion of the required documentation may be cause for rejection of the proposals. In the event of any conflict between any of the proposal documents, resolution thereof shall be at TAA's sole discretion.
4. One (1) original and five (5) copies of the proposal should be submitted to TAA and should be clearly labeled with the Respondent's name; and marked "Proposal for Professional Auditing and Accounting Services."
5. Proposals are due on or before 2:00 p.m. local Tucson time on September 3, 2026, at the Tucson Airport Authority's (TAA's) Administration Offices; and must be time stamped to record TAA's receipt of the proposal. Proposals submitted after that time will not be accepted.
6. Proposals may be withdrawn either personally or by written request any time before the scheduled deadline for receipt of proposals.

SELECTION PROCESS

1. Proposals that meet the mandatory requirements, are properly licensed to practice in Arizona, will be evaluated and ranked by an in-house selection committee to create a short list.
2. The short-listed Respondents will be interviewed by the Selection Committee in person. Interviews are tentatively scheduled for October 14, 2026; however, this date may be subject to change.
3. The selection committee will make a selection recommendation to the TAA Audit Council, which will then make a recommendation to the Board of Directors for approval.
4. for receipt of proposals.

SCOPE OF WORK

Project Director: Mary Fowler

1. Perform the annual financial statement audit and prepare all required auditor reports in accordance with applicable auditing standards, Government Auditing Standards, and other applicable requirements.
2. Prepare comparative financial statements, notes, schedules, and related files in Word, Excel, and PDF formats suitable for TAA's use in preparing the ACFR
3. Perform Single Audit procedures, including testing of major federal programs, federal grant compliance, and preparation of related reports, schedules, findings, and questioned cost summaries as applicable.
4. Perform Passenger Facility Charge audit procedures and prepare the related compliance report, schedule of passenger facility charges collected and expended, and findings schedule.
5. Evaluate significant accounting estimates and disclosures, including environmental remediation liability, pension-related balances, deferred inflows and outflows, and other material estimates identified during audit planning.
6. Review and test relevant internal controls, including controls over revenue, cash receipts, accounts payable, payroll, grants, capital assets, financial reporting, and information systems supporting financial reporting.
7. Coordinate with TAA staff regarding audit schedules, interim work, year-end fieldwork, document requests, open items, draft reports and final reports
8. Provide timely communication regarding audit status, proposed adjustments, management letter comments, internal control observations, potential delays, and any additional services requiring prior written authorization.

Important Issues:

1. Revenue – confirmation will not work in our environment. Plan to rely on alternative procedures like contract and rate agreement testing.
2. Financial statement preparation effort – proposers should not underestimate the clerical and formatting work required to prepare the financial statements. TAA will provide Word and Excel files that it believes are substantially complete; however, the selected firm will be responsible for assembling, formatting, proofing, and returning final Word and Excel files suitable for TAA's preparation of the ACFR.
3. Arizona State Retirement System (ASRS) and Public Safety Personnel Retirement System (PSPRS) annual reports often delay finalizing ACFR.

DISCUSSION:

The floor was opened to questions and answers and discussion followed.

Q1: The RFP included fiscal year 2023 report and not 24 and 25. Have those been released or is there an estimated release date for those reports?

A: We are currently wrapping up 24 and creating the financial statements. We are going right into 25 once that's complete. By the time 26 starts, we anticipate we will be timely with our audits.

Q2: On page 14, it talks about disclosing any potential conflicts of interest or relationships with tenants for the last five years. Can we get a list of those tenants?

A: Attached to this pre-proposal conference summary.

Q3: RFP holders will receive the addenda. Can you confirm if everyone on this invite is by default an RFP holder on the list or is there a separate process?

A: Everyone in attendance today, 8/18/2026, will be added to the RFP holders list.

Q4: Was there a management letter that was issued with the financial statements in the RFP?

A: There was no Management Letter(s) issued with the 2022/2023 audit financial statements.

Q5: You mentioned in the RFP that you provide space on site. Is the preference the work all be done on site or some combination of remote and on site?

A: Not a lot of preference. Current auditors do about a week on site and then the rest remote. Most files are digital now, so we don't need the auditors to be here on site to access documents. Test of controls is better done on site.

Q6: What is the time that you foresee the audit taking or has previously taken to finalize the audit? A: Ninety (90) days.

Q7: The contract is expected to be awarded by the end of January 2027. Will TAA be ready to get started soon after that?

A: Yes.

Attendees were reminded:

1. Last day for questions is Wednesday, August 26, 2026.
2. Final Addendum will be issued on Friday, August 28, 2026.
3. The Proposal due date and time is Thursday, September 3, 2026, on or by 2:00 p.m. local Tucson time.
4. Contact with TAA should be limited to TAA Procurement Department staff only.

The conference adjourned at 10:15 a.m.

The above is intended to be a summary of the proceedings as recalled by Corrie Bussey. The proceedings were recorded and is on file in the TAA's Procurement Department.
